

## PREFERRED RISK POLICY

### I. GENERAL DESCRIPTION

The Preferred Risk Policy (PRP) offers low-cost coverage to owners and tenants of eligible buildings located in the moderate-risk **B, C, and X Zones** in NFIP **Regular Program communities**.

The maximum one- to four-family residential coverage combination is \$250,000 building and \$100,000 contents. Up to \$100,000 contents-only coverage is available for other residential properties. The maximum non-residential coverage combination is \$500,000 building and \$500,000 contents.

Only one building can be insured per policy, and only one policy can be written on each building.

### II. ELIGIBILITY REQUIREMENTS

#### A. Flood Zone

To be eligible for building/contents coverage or contents-only coverage under the PRP, the building must be in a B, C, or X Zone **on the effective date of the policy**. The flood map available at the time of the renewal offer determines a building's continued eligibility for the PRP. NFIP map grandfathering rules do not apply to the PRP.

#### B. Occupancy

Combined building/contents amounts of insurance are available for owners of single-family, two- to four-family, and non-residential properties. Combined building and contents coverage is not available for other residential.

Contents-only coverage is available for tenants and owners of all eligible occupancies, except

when contents are located entirely in a basement.

#### C. Loss History

A building's eligibility for the PRP is based on the preceding requirements and on the building's flood loss history. If one of the following conditions exists, regardless of any change(s) in ownership of the building, then the building is **not eligible** for the PRP:

- 2 flood insurance claim payments, each more than \$1,000; or
- 3 or more flood insurance claim payments, regardless of amount; or
- 2 Federal flood disaster relief payments (including loans and grants), each more than \$1,000; or
- 3 Federal flood disaster relief payments (including loans and grants), regardless of amount; or
- 1 flood insurance claim payment and 1 Federal flood disaster relief payment (including loans and grants), each more than \$1,000.

#### D. Exclusions

- The PRP is **not available** in Special Flood Hazard Areas or in Emergency Program communities.
- Other residential properties are **not eligible** for building coverage.
- Contents located entirely in a basement are **not eligible** for contents-only coverage. However, contents located entirely in an enclosure are eligible.

### THE PRP AT A GLANCE

POLICY TYPE	OCCUPANCY/MAXIMUM LIMITS		
	1-4 Family	Other Residential	Non-Residential
Combined Building/ Contents	\$250,000/ \$100,000	No Coverage	\$500,000/ \$500,000
Contents Only	\$100,000	\$100,000	\$500,000

NOTES: Condominium associations are not eligible for the Preferred Risk Policy. Individual condominium units are not eligible unless they qualify under one of the exceptions on page PRP 2.

- Condominium associations, unit owners, and their tenants are **not eligible** for the PRP, **except** for:
  - A townhouse/rowhouse building insured under the unit owner's name;
  - A detached, single-family dwelling insured under the unit owner's name.
  - Contents-only coverage for tenants occupying townhouse/rowhouse buildings or detached, single-family dwellings.
- Increased Cost of Compliance (ICC) coverage is **not available** for condominium units. (See footnote 3 on page PRP 3.)

### III. DOCUMENTATION

All Preferred Risk Policy new business applications must include documentation of eligibility for the PRP. Such applications must be accompanied by one of the following:

- A Letter of Map Amendment (LOMA)
- A Letter of Map Revision (LOMR)
- A Letter of Determination Review (LODR)
- A copy of the most recent flood map marked to show the exact location and flood zone of the building
- A letter indicating the exact location and flood zone of the building, and signed and dated by a local community official
- An elevation certificate indicating the exact location and flood zone of the building, and signed and dated by a surveyor, engineer, architect, or local community official
- A flood zone determination certification that guarantees the accuracy of the information.

An agent writing through a Write Your Own (WYO) company should contact that company for guidance.

### IV. RENEWAL

An eligible risk renews automatically without submission of a new application. If, during a policy term, the risk fails to meet the eligibility requirements, it will be ineligible for renewal as a PRP. Such a risk must be nonrenewed or rewritten as a conventional Standard Flood Insurance Policy (SFIP).

### V. COVERAGE LIMITS

The elevated building coverage limitation provisions do not apply to a policy written as a PRP.

### VI. REPLACEMENT COST COVERAGE

Replacement cost coverage applies **only** if the building is the principal residence of the insured and the building coverage chosen is at least 80 percent of the replacement cost of the building at the time of the loss, or the maximum coverage available under the NFIP.

### VII. DISCOUNTS/FEE/ICC PREMIUM

- No Community Rating System discount is associated with the PRP.
- Probation fees will be charged.
- The Federal Policy Fee of \$11.00 is included in the premium and is not subject to commission.
- The ICC premium is included.

### VIII. DEDUCTIBLES

The standard deductible for PRPs is \$500. Optional deductibles are not available for PRPs.

### IX. ENDORSEMENTS

The PRP may be endorsed to:

- Increase coverage mid-term, subject to the coverage limits in effect when the policy was issued or renewed. See page END 5 for an example.
- Correct misratings, such as incorrect building description or community number.

### X. CONVERSION OF STANDARD RATED POLICY TO PRP DUE TO MISRATING

A policy written as a Standard B, C, or X Zone policy and later found to be eligible for a PRP may be endorsed or rewritten as a PRP for only the current policy term.

When the risk has been rated with other than B, C, or X Zone rates, but is later found to be in a B, C, or X Zone and eligible for a PRP, the writing company will be allowed to endorse or cancel/rewrite up to 6 years.

The policy may be canceled/rewritten using Cancellation Reason Code 22 if both of the following conditions are met:

- The request to endorse or cancel/rewrite the policy is received during the current policy term.
- The policy has no open claim or closed paid claim on the policy term being canceled.

<sup>4</sup>Contents-only policies are not available for contents located in basement only.

NOTES: Condominium associations are not eligible for the Preferred Risk Policy. Individual condominium units are not eligible unless they qualify under one of the exceptions on page PRP 2.

The deductibles apply separately to building and contents. Building deductible, \$500. Contents deductible, \$500.

The new PRP building and/or contents coverage will be equal either to the building limit issued under the Standard B, C, or X Zone policy or the next higher limit available under the PRP if there is no PRP option equal to the Standard B, C, or X Zone building limit. For a standard contents-only policy, the contents coverage will be equal to the limit issued under the standard policy or the next higher limit. If building coverage is desired, the policy should be endorsed for building and contents coverage with a 30-day waiting period applied.

## **XI. CONVERSION OF STANDARD RATED POLICY TO PRP DUE TO MAP REVISION, LOMA, OR LOMR**

A standard rated policy may be canceled and rewritten as a PRP as a result of a map revision, LOMA, or LOMR if the effective date of the map change was on or after February 1, 2005.

The policy may be canceled/rewritten using newly established Cancellation Reason Code 24 under the following conditions:

- The request to cancel/rewrite the standard policy must be received during the policy term or within 6 months of the policy expiration date.
- The standard policy has no open claim or closed paid claim on the policy terms being canceled.
- The property meets all other PRP eligibility requirements.

The building and/or contents coverage on the new PRP must be equal either to the building limit and/or contents limit issued under the standard policy, or to the next higher limit available under the PRP if there is no PRP option equal to the standard policy building and/or contents limit.

## **XII. COMPLETING THE FLOOD INSURANCE PREFERRED RISK POLICY APPLICATION**

### **A. Policy Status**

In the upper right corner of the form, check the appropriate box to indicate if the application is for a NEW policy or a RENEWAL of an existing policy. If the application is for a renewal, enter the current NFIP policy number.

### **B. Policy Term**

The PRP is available only for 1-year terms.

1. Check the appropriate box to indicate who should receive the renewal bill. If BILL FIRST MORTGAGEE is checked, complete

"First Mortgagee" section. If BILL SECOND MORTGAGEE, BILL LOSS PAYEE, or BILL OTHER is checked, provide mailing instructions in "Second Mortgagee or Other" section.

2. Enter the policy effective date and policy expiration date (month-day-year). The effective date of the policy is determined by adding the appropriate waiting period to the date of application in the "Signature" section. The standard waiting period is 30 days. Refer to the General Rules Section, page GR 7, for the applicable waiting period.

### **C. Agent Information**

Enter the agent's (producer's) name, agency name and number, address, city, state, ZIP Code, telephone number, fax number, and Tax I.D. Number or Social Security Number.

### **D. Insured's Mailing Address**

1. Enter the name, mailing address, city, state, ZIP Code, telephone number, and Social Security Number of the insured.
2. If the insured's mailing address is a post office box or a rural route number, or if the address of the property to be insured is different from the mailing address, complete the "Property Location" section of the application.

### **E. Disaster Assistance**

1. Check YES if flood insurance is being required for disaster assistance. Enter the insured's case file number, Tax I.D. Number, or Social Security Number on the line for CASE FILE NUMBER.
2. In the "Second Mortgagee or Other" block, identify the government (disaster) agency, and enter the complete name and mailing address of the disaster agency.
3. If NO is checked, no other information is required.

### **F. First Mortgagee**

Enter the name, mailing address, city, state, ZIP Code, telephone number, and fax number of the first mortgagee. Enter the loan number.

### **G. Second Mortgagee or Other**

1. Identify additional mortgagees by checking the appropriate box and entering the loan number, mortgagee's name, mailing address, telephone number, and fax number.

2. If more than one additional mortgagee or disaster assistance agency exists, provide the requested information on the producer's letterhead.

#### H. Property Location

1. Check YES if the location of the property being insured is the same as the address entered in the "Insured's Mailing Address" section. Leave the rest of this section blank unless there is more than one building at the property location.
2. If more than one building is at the location of the insured property, use this section to specifically identify the building to be insured. Briefly describe the building or submit a sketch showing the location of insured buildings to assist the NFIP in matching the policy number to the specific building insured.
3. If NO, provide the address or location of the property to be insured.
4. If the insured's mailing address is a post office box or rural route number, give the street address, legal description, or geographic location of the property.

#### I. Community

1. Enter the name of the county or parish where the property is located.
2. Check YES if the property is located in an unincorporated area of a county; otherwise, check NO.
3. Enter the community identification number, map panel number, and revision suffix for the community where the property is located. Use the FIRM in effect and that has been published at the time of presentment of premium and completion of application. Community number and status may be obtained by calling the writing company, consulting a local community official, or referencing the NFIP *Community Status Book* online at [www.fema.gov/fema/csb.shtm](http://www.fema.gov/fema/csb.shtm).
4. Enter the Flood Insurance Rate Map zone.

#### J. Building and Contents

Complete all required information in this section.

1. Check building occupancy: Single Family, 2-4 Family, Other Residential, or Non-Residential (incl. Hotel/Motel).
2. Enter date of construction.
3. Check building type. If the building has a basement or enclosure, count the basement or enclosure as a floor. If the building

type is a manufactured (mobile) home/travel trailer on foundation, enter the make, model, and serial number in the block at the bottom of this section.

4. Check the "Y" box (YES) or the "N" box (NO) for "CONDO UNIT" and "TOWNHOUSE/ROWHOUSE CONDO UNIT."
5. Check location of building's contents. (Contents located entirely in a basement are not eligible for contents-only coverage.)
6. Check YES if the building is the insured's principal residence; otherwise, check NO.
7. Using normal company practice, estimate the replacement cost value and enter the value in the space provided. Include the cost of the building foundation when determining the replacement cost value.

#### K. Notice

If the answer to either question A or question B is YES, this risk is not eligible for the Preferred Risk Policy.

#### L. Premium

1. Enter the coverage selected, and the premium, from the appropriate table on the back of the application form.
2. Add the \$50.00 Probation Surcharge, if applicable. Deduct \$1.00 if this is an application for a townhouse/rowhouse condominium unit.

#### M. Signature

The producer must sign the Preferred Risk Policy Application and is responsible for the completeness and accuracy of the information provided on it. Enter the date of application (month/day/year). The waiting period is added to this date to determine the policy effective date of the policy listed in the Policy Term section. A check or money order for the Total Prepaid Amount, payable to the NFIP, must accompany the application.

A credit card payment by VISA, MasterCard, Diner's Club, or American Express will also be acceptable if a disclaimer form, signed by the insured, is submitted with the Preferred Risk Policy Application. The disclaimer will state that cancellation of a policy due to a billing dispute will be permitted only for a billing error or fraud. If the credit card information is taken over the telephone by the producer, the producer may sign the authorization form on behalf of the payor only after having read the disclaimer to the payor.
